

Working in Industry & Manufacturing Washrooms

Hygiene

- **No Touch Dispensing Options**
Paper is presented so user only needs to touch the paper they will use
- **Easy to Wipe Clean**
All dispensers feature easy to wipe clean and durable surfaces

Cost

- **FREE Dispensers**
Dispensers are free-on-loan for end users
- **Zero Waste**
100% of paper is used
- **Prevents Over Use**
Towels are cut at economical lengths & dispensers are engineered to provide tension
- **SAVING YOU MONEY!!**

Maintenance

- **High Capacity**
Reducing janitorial time & increases product availability
- **Lockable & Made From ABS**
Stopping theft & vandalism

The NHS website & the World Health Organisation recommend people to dry their hands with single use paper towels, as most hygienic way.
